Temporarily out of stock. Please check back soon.

Overview

A compact solution for extending Wi-Fi coverage.

The Belkin N300 DB Range Extender expands your wireless range, giving you coverage in areas your router just can't reach. With dual antennas for maximum signal, the N300 DB delivers Wi-Fi® where you want it.

Compact design

The small, wall-mountable design looks great in any home. So you can provide great coverage while your equipment keeping a low profile.

Dual Band technology

Simultaneous dual-band technology gives you extended range throughout your home—for Wi-Fi® wherever you are. Eliminate dead spots and get the coverage you need for all your devices.

Features

- Extend Wi-Fi Coverage: Dual antennas deliver Wi-Fi where needed.
- Enjoy Video Streaming throughout the home: Dual-Band speeds up to 150Mbps (2.4GHz) + 150Mbps (5GHz)*
- Compact and Easy Setup: Small size fits with any décor and plugs into any wall outlet.
- 'G' & 'N' technology Compatible
